

The Lodge Between The Lakes

Check Out Procedures

1. Check-Out is 10:00 a.m.
2. If you have left-over food in the refrigerator, please take it with you or dispose of it in the trash container in the kitchen or carry it out to the trash containers in the fish-cleaning station. If you have unopened non-refrigerated items that you want to leave for the next guests, that would be great, too! The cleaning staff will empty bathroom and bedroom trash containers.
3. Please make sure all the main recessed lights are turned off. (kitchen, laundry, rec room overhead lights, and bathroom lights.) All the small decorative lights stay on. Also, please turn off all ceiling fans.
4. In warm months, please set thermostats to 78 degrees, and in cold months, set them to 60 degrees.
5. We ask that you strip the beds that have been used. All used towels and linens can be put on the floor of the laundry room in front of the washer.
6. Please make sure all outer doors are locked and shut securely.
7. Please feel free to give us ANY comments, suggestions, repairs, light bulbs out, etc. There is a form for this in the guest book.
8. Have a safe trip home. We trust that you have made many great memories here and that you have enjoyed staying in our home as much as we have enjoyed preparing it for you!

Thanks again for choosing Lodge Between The Lakes!
