Coming from Mountain Home: At the square, go West on Highway 178 (West Road) about 5 miles. Look for County Road 11 on the right, turn and go 1/2 mile. Look for the fire trucks parked on the right. The next driveway going down the hill will be your turn to the right. A large boulder with Lodge painted on it will be at the entrance.

Coming from Yellville, Flippin or points West of Mountain Home Hwy. 62/412: Turn north on Hwy 126 at the Exxon station and then turn right (East) on Hwy 178. Look for County Road 11 on the left, turn and go 1/2 mile. Look for the fire trucks parked on the right. The next driveway going down the hill will be your turn to the right. A large boulder with Lodge painted on it will be at the entrance.

Coming from Lakeview, Bull Shoals, or down Hwy. 5 from Missouri: Turn right on Hwy. 126 at Midway, and travel until you find Hwy.178 and turn left. Look for County Road 11 about one mile after the left turn and go 1/2 mile. Look for the fire trucks parked on the right. The next driveway going down the hill will be your turn to the right. A large boulder with Lodge painted on it will be at the entrance.

Follow the pavement past the Lodge on the left and the pavilion on the right. You should see Grandpas' Barn and the gravel parking lot and it is accessible by staying on the paved portion of the driveway and then turning right at the old smoke house. Or turn right onto the gravel road and then proceed across the parking lot. (Because of the gravel parking lot, high-heeled shoes aren't recommended)
